### Respective responsibilities of the council and the auditor

The council is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The council prepares an annual return in accordance with proper practices which:

- summarises the accounting records for the year ended 31 March 2012; and
- confirms and provides assurance on those matters that are important to our audit responsibilities.

Our responsibility is to conduct an audit in accordance with guidance issued by the Audit Commission and, on the basis of our review of the annual return and supporting information, to report whether any matters that come to our attention give cause for concern that relevant legislation and regulatory requirements have not been met.

### External auditor's report

~~Except for the matters reported below,~~ On the basis of our review, in our opinion the information in the annual return is in accordance with proper practices and no matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met

Other matters not affecting our opinion which we draw to the attention of the council:

The Annual Return should be accurately completed before submission for audit: Section 1, 2011 Box 1 should be £31,286

The Council should ensure that it has up to date Standing Orders and Financial Regulations in place (refer to latest NALC model documents). These should be formally reviewed on a regular basis (at least every three years). This matter was also raised in the 2010/11 external auditor's report

We note that reserves include a gratuity fund. We understand that, following the repeal of the 1996 Superannuation Regulations, councils can only make gratuity payments in the future where they were included as a contractual obligation in a contract of employment entered into before January 2012. Advice should be sought from NALC/SLCC before making any payments.
